DECISION ON PETITION

This is a decision on the petition filed on January 8, 2002¹, pursuant to 37 CFR 1.137(b), to revive the above-identified application.

The petition is **GRANTED**.

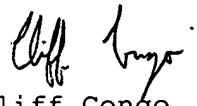

The above-identified application became abandoned for failure to timely reply to the Notice to File Missing Parts of Nonprovisional Application mailed March 29, 2000. This Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on May 30, 2000. A Notice of Abandonment was mailed on December 12, 2001.

With the instant petition, petitioner filed an executed oath or declaration, paid the petition fee, and made the proper statement of unintentional delay. The \$130 surcharge for late filing of the oath or declaration, as well as the \$40 deficiency in the petition fee submitted, has been charged to Deposit Account No. 23-1123, as authorized.

The application file is being forwarded to the Office of Initial Patent Examination for completion of pre-examination processing.
